

Agenda

2021 Advance CTE Fall Meeting
Agenda Overview
Updated: July 22, 2021

WEDNESDAY, OCTOBER 27

Sessions:

Welcome and A Celebration of Leadership: Advance CTE Induction of Officers and Board Members

Meeting CTE's Moment: Aligning Federal Secondary and Postsecondary Education Initiatives to Achieve CTE Without Limits (Plenary Session)

Challenging the Limits: Breakout Session Series on Turning Challenges Into Opportunities: Get a deep dive into topics including tackling the ongoing instructor shortage, innovative and effective uses for stimulus funds and the benefits of virtual postsecondary CTE.

Latest Research Impacting CTE Breakout Session Series: Discover the latest research impacting CTE including new research on employers' perspectives of CTE, best practices in connecting and promoting non-credit and credit pathways and a sneak peek of Advance CTE's annual State of CTE report on the national landscape of early postsecondary opportunities.

States Leading CTE Without Limits Vision Plenary Session and Breakout Series: Dive deeper into the five principles that comprise this shared vision with a plenary session, followed by breakouts where leading states will share how they are realizing the aspiration of CTE Without Limits.

Advance CTE Business Meeting

THURSDAY, OCTOBER 28

Sessions:

Welcome and A Celebration of Leadership: Advance CTE's Star of Education Awards

Meeting CTE's Moment: Explore Philanthropy's Role in Achieving CTE Without Limits (Plenary Session)

Challenging the Limits: Breakout Session Series on Equity, Quality and Leadership: Explore ways in which you and your staff can ensure a strong CTE system in your state including state approaches to the comprehensive local needs assessment, leveraging federal programs to expand high-quality and equitable CTE, leading with an equity lens and using data to drive transformational change.

Role Alike Networking: Meet with peers who have a similar role to you across the country to share ideas, overcome challenges and connect.

Meeting CTE's Moment: Aligning Apprenticeship, Workforce Development and CTE to Ensure More Equitable, Flexible and Quality Career Pathways for Every Learner (Plenary Session)

Challenging the Limits: Breakout Session Series on Centering Learners: Understand how to take a learner-centered approach by digging into topics including social emotional learning and CTE, elevating authentic learner voice, understanding social capital's intersection with CTE and more.

Update from the Office of Career, Technical and Adult Education (OCTAE), U.S. Department of Education
