

The Postsecondary State CTE Leaders Fellowship

-Sponsored by ECMC Foundation

About

The Postsecondary State Career Technical Education (CTE) Leaders Fellowship at Advance CTE – Sponsored by ECMC Foundation – will build a talent pipeline of state-level postsecondary CTE leaders fiercely committed to creating an accessible and racially just postsecondary CTE system.

Through supportive spaces and an equity-centered curriculum, Fellows will gain the skills and network to pursue leadership positions in state postsecondary CTE. To address equity gaps, aspiring leaders of color will be prioritized.

Eligibility

The Fellowship is open to aspiring leaders and professionals with deep knowledge of and experience in CTE from:

- State departments of education;
- Higher education, labor and workforce;
- Administrators and educators from four-year colleges, community colleges, technical centers and K-12;
- Professionals from non-profits and career technical student organizations; and
- Industry.

Program Details

- Fall 2022 to Winter 2023
- Eight virtual ½ day workshops
- Monthly, hour-long coaching sessions.
- Completion of a real-world Fellowship project (more details below).
- Virtual and in-person engagement opportunities
- \$1,800 Fellowship stipend
