

## The Postsecondary State CTE Leaders Fellowship

-Sponsored by ECMC Foundation

### About

Advance CTE's Fellowship strives to close racial representation and equity gaps in state postsecondary Career Technical Education leadership.

Through supportive spaces and an equity-centered curriculum, Fellows will gain the skills and network to pursue leadership positions in state postsecondary CTE. We strive for most participating Fellows to be professionals of color.

### Program Details

- Fall 2021 to Winter 2023
- Intensive curriculum of eight interactive, equity-centered workshops to strategic leadership skills to advance high-quality state CTE systems
- Individual coaching and real-world project
- Intentional networking with CTE professionals nationwide
- \$1,800 stipend

### Eligibility.

Professionals from diverse career pathways with substantial knowledge of and experience in CTE including aspiring leaders from:

- State education, labor and workforce agencies
