

The Postsecondary State CTE Leaders Fellowship

-Sponsored by ECMC Foundation

About

Advance CTE's 17-month Fellowship strives to close racial representation and equity gaps in state postsecondary Career Technical Education leadership.

Through supportive spaces and an equity-centered curriculum, Fellows will gain the skills and network to pursue leadership positions in state postsecondary CTE. We strive for most participating Fellows to be professionals of color.

Program Details

- November 2021 to March 2023
- Intensive curriculum of eight interactive, equity-centered workshops to strategic leadership skills to advance high-quality state CTE systems
