# NURSING CAREER PATHWAY

You don't have to wait until graduation to begin your nursing career. With the NWTC nursing career pathway, you can qualify for a Nursing Assistant degree while you're still in high school and earn a Practical Nursing Diploma within one year of graduation. But that's only one of many paths your career can take.

## WHY CHOOSE THE CAREER PATHWAYS PROGRAM?

- Earn FREE college credits while you're still in high school
- Qualify for a Nursing Assistant Degree while you're still in high school
- Qualify for a Practical Nursing Diploma within one year of high school graduation

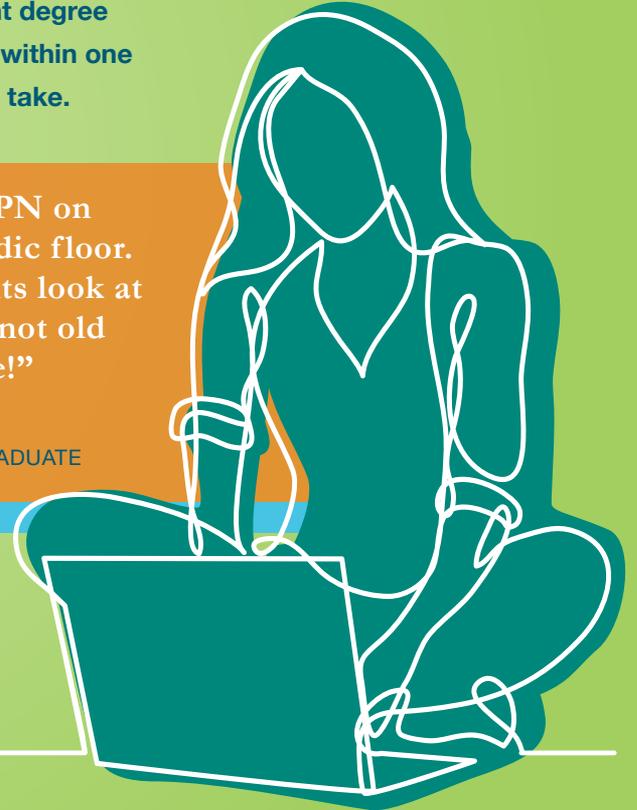

## THE SAVINGS ADD UP!

*Nursing Assistant program cost savings: \$650*

*Practical Nursing program cost savings: up to \$6125  
(complete 23 credits at your high school for FREE)*

As of now, I'm an LPN on the surgical orthopedic floor. A lot of times patients look at me and say, "You're not old enough to be a nurse!"
